To Tolk	FTW Ranch Capabilities and Summary Updated September 8, 2020								
Size/Location	12,000 + Acres, REAL County, Texas- 1802 Horse Hollow Road, Barksdale, TX 78828 www.ftwsaam.com 830-234-4366								
Access	Ranch Road 335 (Edwards County) to County Road 228 Dead ends at FTW Ranch front gate in REAL County. Emergency rear exit in case of flood, backs into Edwards and Real Counties.								
Security	The FTW Ranch is surrounded by 32 miles of 8Ft. High Security Fence. Secure access points under camera surveillance. Secure lodge, 21 cabins, 5,000 Sq. Ft. Maintenance/Storage building, and 1,000 Sq. Ft. secure munitions storage. Security cameras around living/storage areas.								
Trails/Roads	Very mountainous/rugged country with 115 Miles of drivable (by 4 wheel drive) roads, with another 45 miles of 4- Wheeler/Hiking trails. Elevation, 1,750ft. To 2,250ft, 4,000DA (2,000ft80F)								
Safety	Seven (7) Helicopter Landing sites and EVAC plan in force. Life Flight from Kerrville Texas.								
Communications	100% in-house radio with two private channels as well as local law enforcement access. Five (5) Land Lines and three Wi-Fi via Fiber-Optic systems.								
Housing	Thirteen (13) guest cabins, 30 beds, each cabin with private bath,each fully air conditioned and heated. Eight (8) crew quarters cabins to support staff. Linens are checked daily & changed by group or sooner upon request.								
Guest Capacity	Full kitchen/meal services, serves up to 30 guests and crew with full 3 meals daily. Classroom with 24 student seating with complete audio/visual capabilities.								
Meals	Three meals served daily: Breakfast: Custom made egg choices, meats as well as starch items, along with a variety of cereal and fruit choices. Lunch: Hamburgers, Chef Salads w/choice of meats, Pizza, Club Sandwiches w/soup/chips, BLT/Soup/Chips, Casseroles, Barbecue sandwiches with onion rings w/lighter choices for lower carbs served at each meal. Dinner: Ribs/Sausage, Brisket, Mexican enchiladas and fajitas, steaks, seafood, stuffed chicken, all served with soup, salad and 2 vegetables minimum and a variety of breads/deserts.								
Support Amenities	A) Full Gym, B) Shipping/Receiving office with secure storage, C) full meat processing room, D) 5,000 sq maintenance area E) Fully equipped 1,000 sq. ft. weapons cleaning area. F) 1,000 sq Munitions storage area G)Full Bar, H) Fire pit and outdoor barbecue, I) 15+ miles of observer/guest hiking trails, J) Vehicle/equipment maintenance area. K) Living Area with TV/surround sound.								
Internal Access	All ranges are located within easy reach of the lodging facilities with the furthest being 18 minutes away, most are within 10 minutes and are accessible by our many ranch vehicles all built with 4 seats and full gun and equipment racks.								
Ranch equip. & support	8 Peronnel Jeeps, 4 pick up trucks, bulldozer, excavator, wheel loader, skid steer with forks, farm tractor, dump truck, multiple trailers and mobile welding system.								
Wildlife	The FTW is home to 16 species of wildlife from around the world which makes for great viewing and target observation drills. Predator control such as Feral Hogs, Bobcats and coyotes are available for student hunting and works very well for night operations training.								
Ranges	Please see below, 35 total ranges, 20 of which are covered. The Drive Around/Mobile/ATV and hiking/walking ranges are not covered.

FTW Operations, LLC (DBA FTW/SAAM), 1802 Horse Hollow Road, Barksdale, Texas 78828. PH) 830-234-4366,

FEIN # 20-4128651, DUNS: 078691613, CAGE: 6TZF3

FTW Operations, LLC is owned by FTW Partners, LP. FTW Partners is owned by The Fallon Family Trust, established 2005. 100% Owned by Tim and Susan Fallon.

The FTW Ranch has been owned by Tim and Susan Fallon since 1996 and is currently 12,000+ acres. The main line of operations for the FTW by revenue source since 2005 is:

- 1) SAAM™, a world renowned Hunter Training Program, held throughout the year. The program readies hunters travelling worldwide to better prepare for their often dangerous and difficult hunts.
- 2) U.S. Military, U.S. Government Agencies and U.S. Law Enforcement Training Facility. The FTW specializes in custom built ranges to suit training requirements by units of the United States Government. <u>NOTE: the FTW does not do any Civilian Tactical Training whatsoever!</u> All U.S Government training is done in private with no other operations or visitors allowed during training, unless agreed to in writing by the agency being trained.
- 3) The FTW provides hunts for species born and raised on the ranch, including whitetail deer and 14 other species of endangered species from around the world that do well in the FTW's very rugged mountains.
- 4) The FTW has an extensive breeding facility for endangered or extinct species from around the world that are either released into the wild on the FTW or bought/sold into the Zoo industry throughout the U.S.
